Dear Division Students:

On May 11, 2010, the LAUSD Board of Education unanimously approved the renewal of lease terms for select Division of Adult and Career Education leased sites, which are branch locations of adult schools serving Los Angeles communities. As a result, Division classes being held at these branch locations will continue without interruption.

District staff was successful in negotiating substantial lease reductions from a number of key landlords who understand the impact of the economic downturn on the District's budgetary situation. We are deeply appreciative to the landlords for the financial sacrifice they were willing to make in support of our communities' continuing educational activities. Also, we are grateful for the understanding and support of the Board of Education and District Superintendent Ramon C. Cortines.

Thank you for your appreciation of Division programs. We look forward to continuing serving your educational needs at the adult school and/or branch location of your choice.

Sincerely,
