

SAFETY INSTRUCTION VOCABULARY

INDUSTRIAL EDUCATION - ELECTRONICS

ADULT SCHOOL

ENGLISH	SPANISH
1. additions	extensiones
2. adjustment	ajustada
3. amperage	amperaje
4. buffing	pulidora
5. cathode-ray tube	rayo catodico
6. charging current	corriente electrica
7. chemical fire extinguishers	extinguidores quimicos
8. chuck key	llave de mandril
9. circuit	circuito
10. circuit board	tabla de circuito
11. connections	connecciones
12. defective	defectuoso
13. drill	broca
14. drill press	taladro de prensa
15. electrical cords	cordones electricos
16. electric switches	interruptores electricos
17. etchant	acido electronico

18. file	lima
19. flame	llama
20. flammable liquids	liquidos inflamable
21. fuse	fusible
22. glass guard	crystal protector
23. goggles	anteojos de seguridad
24. grinder	amoladora
25. high voltage	alto voltaje
26. holder	detenedor
27. hot solder	soldadura caliente
28. isolation unit	unidad de separacion electrica
29. lathe	torno
30. leads	alambres de prueba
31. line cord	alambre electrico
32. loose parts	partes sueltas
33. metal	metal
34. oily	aceitoso
35. picture tube	tubo de television
36. power machines	maquinas electricas
37. power outlet	enchufe
38. repair	reparacion
39. safety zone	zona de seguridad

40. sheet metal	lamina
41. shop	taller
42. soldering iron	pistalo de solder
43. soldering furnace	horno de soldadura
44. solder	soldadura
45. sparks	chispas
46. stock	madero
47. tailstock	cabezal movil
48. tang	espiga
49. three-wire ground	tierra de tres alambres
50. tools	herramientas
51. tool rest	portaherramienta
52. transformer	transformador
53. volts	voltios
54. voltmeter	voltmetro
55. worn	gastados
